

# ST. FRANCIS OF THE FIELDS STRATHFIELDSAYE

## School Bulletin – Thursday 17 December 2020

St. Francis of the Fields is a community united in faith and committed in action, to live, learn and grow in God's love.

Dear Families,

### Advent

It is so hard to believe that 12 months has passed so quickly **and this is the final newsletter for the year.**

I am so grateful for our community – our students, parents and teachers have worked tirelessly together to overcome the challenges that Covid-19 presented throughout 2020. Our children could have felt sour about such an interrupted year, however each of you decided that you will make the best of a challenging time.

Our children have learnt to adapt, to learn new skills, to appreciate family and school. We also learnt to slow down a little and enjoy the simpler things in life.

I am incredibly proud of all St. Francis of the Fields staff members who supported our children and parents throughout the year - they were required to adjust the way they taught like no other time in history. An extraordinary achievement, considering there was so little time to prepare.

Sadly, we will miss people in our lives who are important to us - from the Staff, we farewell Gen Hoskin, Helen McCarthy, Raelene Gooch, Alice Kielty, Ash Sloan and Lachie Ratcliffe. Laura Flood will also take maternity leave during 2021. We wish them all the best in their new ventures.

Furthermore, I will miss the Year 6 Children and pray that they will enjoy the changes and challenges that will be theirs in the future. They have proven in 2020 that when they are faced with a challenge they can overcome anything with a positive mindset. Hopefully they will never forget the "family" of St. Francis of the Fields Primary School and how we have been part of their lives for the past 7 years.

We will also miss our parents whose children will be leaving for secondary school. My thanks will remain with each of these parents – those who have worked shoulder to shoulder for the benefit of St. Francis of the Fields Primary School. Thank you!

As educators we are entrusted with supporting the ideals that each family wants for their children. Each family at St. Francis of the Fields Primary School is so varied – each family has been gifted with their own talents and challenges. It is my belief that all parents want one fundamental ideal fulfilled in the education of their children – that their child is loved and nurtured so that they will feel challenged in a positive manner to reach their potential best.

Each one of the teachers of St. Francis of the Fields fulfil this ideal - they love the children in their care – this does not happen in every school - I pray that each child and parent realises how fortunate they have been to have been blessed with such teachers.

**From all the staff at St. Francis of the Fields Primary School, we hope you have a very holy, merry and safe Christmas.**

## Prayer

I share with you the following Christmas blessing...

*May Bethlehem's road rise up to meet you  
May the Christmas star light your way  
And may there be peace in your heart and in your home.  
May you be filled with the joy of this Christmas season  
May Bethlehem's road rise up to meet you  
May the angel choir ring in your ear "Christ is here, Christ is here"  
In those who suffer, and have no food,  
in those who have no home at all.  
in those who cry out for what I take for granted.  
May Bethlehem's road rise up to meet you  
May the Christmas star light your way  
May you seek His face as all wise men still do  
In the love of your family and your friends near and far.  
Till you find him and see that God is with you  
That God is in you.  
Amen*

## Connecting with our 2021 Foundation Students

We were so impressed with our 2021 Foundation students during their transition and orientation days. It was wonderful to see the children greeting each other at the front of the school, meeting their 2021 teachers and then walking together into their classroom. To replicate the success of Orientation day and to continue the smooth transition to school we will be providing the following opportunities for our 2021 Foundation children:

### Sunday 'Welcome Day' - Sunday 24 January, 2021 at 10.00am

- All new families and children are invited to come to St. Francis of the Fields school to see their classroom (desk, bag locker etc), practice walking to their classroom from your chosen drop off location and enjoy a play on one of our many playgrounds!
- We encourage students to come dressed in their school uniform to get all those 'first' photos taken on this day. This will mean photographs will not need to be taken in the classrooms on their first day of school as the noise of additional people in the classroom can cause some children levels of anxiety.

### Thursday 28 January - first half day of school for Foundation students (9.00am - 12.30pm)

- I ask all parents to practice a hug and kiss goodbye before entering the classroom.
- We encourage all our families to continue the success of orientation day and enable their child to walk into their classroom independently. Please consider the necessity of your family remaining in the classroom on the first morning as we hope to create a calm and welcoming environment.
- We want our students to easily locate their friends, classroom teacher and find an activity to engage with. Please be considerate of the noise and quantity of adults in the classroom, to ensure our classrooms are not overwhelming for any of our students.
- I ask that all family members move to the shed at 9.00am, or earlier, to enjoy a cuppa with Grace, Maree and Tim. School information will be shared at this time.

### Monday 1 - Thursday 4 February - Learning Conversations (Week 2)

- Parents will have the opportunity to book in for a Learning Conversation in Week 2. This will provide everyone the opportunity to meet your child's teacher and connect. It is a time when parents can help share information about what makes their child special. Please click on this link to book your interview time, [School Interviews](#) and enter the code – **248uy**. Please note, the School Interviews bookings will open on **Monday 21 December at 5.00pm**

#### **Thursday 4 March - Community Cuppa at Strathfieldsaye Bakery from 9.00am**

- Families are most welcome to enjoy a Community Cuppa at Strathfieldsaye Bakery from 9.00am. This is a great opportunity to get to know and/or reconnect with other St Francis families. Please note that purchases will be at your own expense.

#### **Thursday 11 February - Welcome Mass at 6pm**

- All children are invited to our school Welcome Mass. This is an important occasion for our Foundation and Year 6 children

Please note that we will communicate, when able, with all families when parents are able to hear children read, as part of the morning routine. The decision will be based on Covid-19 guidelines.

We look forward to continuing the success of our Orientation day and can not wait to welcome you and your child/ren to St Francis of the Fields in 2021.

#### **Learning Conversations Yr 1 – Yr 6 - Week 2, Term 1**

## Pastoral Wellbeing

### Maintaining strong family traditions

#### Theme: Positive Parenting

Strong families develop their own traditions and rituals that define them and bind members together. Birthdays, Christmas, Diwali, bar mitzvahs, and Ramadan are some traditions and rituals that families enjoy. They are the coat hooks upon which we hang our family memories. By definition, they are permanent and not set aside when life gets busy.

Rituals can be as simple as a parent saying to a child 'I love you' each day as they go to school, a weekly game of cricket or another sport, or the bedtime-story routine that so many children love. The permanence and uniqueness of rituals give them their significance.

My own family, for example, has developed a very strong food culture that is shown through the traditions and rituals that we maintain. A meal takes time and effort to prepare and there's an expectation that everyone contributes in some way. When the children were young the contribution was in preparation, table-setting or post meal clean up. The tradition of contribution continues as a new generation of children visit and do their bit to assist. Like most traditions this mealtime ritual was nurtured as a result of past parental experiences and gradually became refined over time to reflect our own family's unique identity.

#### Develop traditions early

Family traditions are best developed when children are pre-school or primary school aged. Parent approval is important so kids will generally comply when enjoyable family traditions engender a relaxed, calm atmosphere. Adolescents are likely to challenge many of their family's traditions and rituals, which is often difficult for parents to encounter. It helps to establish the traditions that are negotiable and those that are non-negotiable so you can approach adolescent challenges with some flexibility.

#### Defend them fiercely

When a child tells you that 'everyone at school is allowed to do....' you can reply by saying, "In our family we do it this way." Leaning against family tradition in this way gives you a strength to resist children's pester power. Family traditions and rituals need to be fiercely defended by parents.

#### Make family meals non-negotiable

This writer recommends that shared mealtimes should be non-negotiable in families. It's no coincidence that countries with strong food cultures are also known for their strong family cultures. Shared mealtimes build connection, are great tools for developing children's manners and respectful actions. They've also been linked to the maintenance of good mental health in children and young people, presumably due to the opportunity it provides parents to stay in touch with their children.

Healthy families are built around traditions and rituals. It's useful to approach the concept of family traditions with a mix of firmness to insist that children adhere to family rituals but also flexibility to accommodate growing independence as children move into the next stage of development.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.

## A St Francis Falcons Christmas Message

### 2020 –The Season That Wasn't!

Hello Falcons fans. What a year of challenges and social change we have faced in season 2020 – the season that wasn't! Whilst a season for the children didn't quite go to plan, we are setting our sights on 2021 and there's a few updates to get you all across.

### Falcons 2021

A new Falcons executive has been established and we are pleased to announce Adam Place as incoming President, and Hayden McDonnell as Vice President for 2021. Gerard Horan will stay on as Treasurer and Caroline Strachan in the chair as Secretary. Joining our general committee are Sarah Willis and Todd Cody.

In 2020, we planned to move our club from Mandurang and play our home games at St Francis of the Fields oval, and we are excited to keep that promise and base ourselves at the school in 2021. Work is underway to ensure we have the right facilities in place heading into the season, and we are working closely with the school and associated stakeholders to bring those plans to life, including interchange shelters and a scoreboard. Next year will be a chance for the community to reconnect and we see our new home base as a place to bring together Players, Parents, Supporters and Sponsors in an important year for all.

Fees will remain the same in 2021, and we are thankful for the patience and consideration of all families who elected to have their 2020 fees donated, refunded or rolled over into 2021. This has been due to the tireless accounting work of Jane, Caroline and Gerard and we thank them for their efforts to provide all Falcon's families options.

### Special Thankyou

Our esteemed President of the past 2 seasons in Jane Davis has stepped down given her family move to QLD earlier this year. Jane has been a wonderful contributor as President to our club, her energy and effort (particularly this year in trying circumstances) was second to none and we wish Jane, Shane and family well as they settle in the Sunshine State. Simon Nihill has also stepped down as Vice President but will remain on the committee, whilst Kevin Matthews and Nigel Fraser have both stepped off the general committee. We would like to thank Kevin and Nigel for their contribution to our club and wish them well.

### Christmas time is upon us

As 2020 comes to a close, the Committee would like to extend Christmas wishes to all players, parents, supporters, and sponsors and we look forward to seeing everyone fresh and excited in the new year. Stay tuned for news and updates on our social media pages.

*See you all in 2021, Go Falcons!*

## 2021 INSTRUMENTAL PROGRAM ENROLMENTS

The Instrumental program is open to all children from Grades Foundation (Prep) to 6. The children are collected from their classrooms for their lessons during school hours on a rotational basis. Lessons are held in the 4 Instrumental Rooms in the Music Centre.

In 2021 we offer tuition in the following Instruments: Piano, guitar, bass guitar, drums, recorder and violin.

As part of the program, we hold an annual Instrumental Concert where the children are able to perform an item that they have learnt during the year. It is a wonderful day/night that showcases their talent and hard work.

Each teacher requires term payments paid on time, please. Individual teachers will let parents know of their preferred method of payment.

Enrolment involves **parents contacting the Instrumental Teacher of their choice directly**. These details are listed below.

\*\*\* *Current parents only need to contact their instrumental teachers if their child is **no longer** continuing. Otherwise it is assumed that students are continuing with lessons in 2021.*

New parents can contact the instrumental teacher via email requesting a position for their child.
