St Francis of Assisi

Dear Families,

It is so hard to believe that 12 months has passed so quickly and this is the final newsletter for the year. Sadly, we will miss people in our lives who are important to us - from the Staff, we farewell Margaret Hand, Bianca Metherell and Kate Bombardieri. We will also miss Laura Flood and Amy Delaney who will be taking maternity leave and will return in time.

Furthermore, I will miss the Year 6 Children and pray that they will enjoy the changes and challenges that will be theirs in the future. Hopefully they will never forget the “family” of St. Francis of the Fields Primary School and how we have been part of their lives for the past 7 years.

We will also miss our parents whose children will be leaving for secondary school. My thanks will remain with each of these parents – those who have worked shoulder to shoulder for the benefit of St. Francis of the Fields Primary School. Thank you!

As educators we are entrusted with supporting the ideals that each family wants for their children. Each family at St. Francis of the Fields Primary School is so varied – each family has been gifted with their own talents and challenges. It is my belief that all parents want one fundamental ideal fulfilled in the education of their children – that their child is loved and nurtured so that they will feel challenged in a positive manner to reach their potential best.

Each one of the teachers of St. Francis of the Fields fulfil this ideal - they love the children in their care – this does not happen in every school - I pray that each child and parent realises how fortunate they have been to have been blessed with such teachers.

From all the staff at St. Francis of the Fields Primary School, we hope you have a very holy, merry and safe Christmas!!

Today the message of Jesus, Mary and Joseph endures. The message of this family challenges our self-centredness, self-interest, our pride, our pursuit of fame, pleasure and comfort. As we celebrate Christmas this year, it is helpful to recall that their message calls us to life through the service and care of others, especially the poor and those in need. It is helpful to recall that this family and its example, its message is presented to us as a clear illustration of the way to reach enduring peace and happiness...to be remembered, to make our mark.

*May Bethlehem's road rise up to meet you
May the Christmas star light your way
And may there be peace in your heart and in your home.
May you be filled with the joy of this Christmas season
May Bethlehem's road rise up to meet you
May the angel choir ring in your ear "Christ is here, Christ is here"
In those who suffer, and have no food,
in those who have no home at all.
in those who cry out for what I take for granted.
May Bethlehem's road rise up to meet you
May the Christmas star light your way
May you seek His face as all wise men still do
In the love of your family and your friends near and far.
Till you find him and see that God is with you
That God is in you.
Amen.*

Thank you

Thank you to all parents who have supported our school community throughout the year by assisting with the:

Parents & Friends community, School Advisory council, coordinating and coaching sporting teams (basketball, netball, football) and volunteering to assist with the canteen. Your support does not go unnoticed - thank you!

Advent

The Season of Advent continues as we journey through Week 3 and focus on the joy surrounding the coming of Christ. What brings you joy? Do you look for joy in your life? May we be reminded of the many sources of joy in our lives, and may that joy not only enrich our lives and draw us closer to one another but closer to God.

As we come closer and closer to celebrating the feast of Christmas, may we take time to give the gifts that help grow ourselves, our families, and our community and build all of our relationships. May we take time during the remainder of the Advent season to share the gifts which we have in abundance in our hearts, gifts that cost nothing but some time and effort. May we see these God given gifts as the most significant and valuable gifts we have to offer not only to others but to ourselves.

“Truly, the Lord is waiting to be gracious to you, truly, he shall rise to show you mercy; For the Lord is a God of justice: happy are all who wait for him!” Is 30:18

Fire Carrier Commissioning Ceremony

On Friday 2 December, we commissioned our 2023 FIRE Carriers. We commissioned 41 new FIRE Carriers! We are very grateful to Troy Firebrace who led the ceremony. The FIRE Carrier project (Friends Igniting Reconciliation through Education) works to promote respect, fairness and inclusion for Aboriginal people. Next year, we will hold another commissioning ceremony for those students who were away. Parents are invited to join us at this time to become a FIRE Carrier.

At the ceremony, the 2022 FIRE Carriers handed the Covenant they had written, with Troy, to the Grade 5 students to continue our school's journey to learn more about Aboriginal and Torres Strait Islander histories and cultures, ecological stewardship, Aboriginal spirituality and to lead our school on the reconciliation journey. The 2022 FIRE Carriers have done such wonderful work in creating the covenant and all the projects they have completed during the year. Well done and congratulations to them all they have achieved during their time as FIRE Carriers at St Francis of the Fields. We look forward to all our new FIRE Carriers will achieve in 2023.

We congratulate our 2023 FIRE Carriers.

Christmas

The Feast of Christmas is a time remember and celebrate many things. At this time of year, we come together with family and friends, give gifts and reach out to others who are in need of support. We strive to create a sense of belonging and family and good will for all. However, around our world we see poverty, despair, suffering, loneliness and pain. It is challenging to align these with our celebration.

At Christmas, we also experience a feeling of hope that the world can be a better place, a hope that we can rise up through our troubles to live again. We know that when a baby is born, new life springs forth - with this baby there is a hope for all that will come from this new life!

In Pope Francis' 2021 Christmas Eve homily he reminded us that God chose to come into the world with power and might, but a small child who was born into poverty. May we seek to be people of service and to look do extraordinary things with faith, hope and love.

“This is the challenge of Christmas: God reveals himself, but men and women fail to understand. ... God lowers himself and we try to become great. Jesus is born in order to serve, and we spend a lifetime pursuing success. God does not seek power and might; he asks for tender love and interior littleness. This is what we should ask Jesus for at Christmas: the grace of littleness.

Lord, teach us to love littleness. Help us to understand that littleness is the way to authentic greatness. God desires to come into the little things of our life. Amid our ordinary lived experience, he wants to do extraordinary things. His is a message of immense hope. Jesus asks us to rediscover and value the little things in life. If he is present there, what else do we need?”

[Pope Francis, Christmas 2021](#)

Parish Christmas Mass Times

All are invited to attend the Christmas Masses to celebrate the coming of Christ. Please note the 6pm Mass at St Francis of the Fields, which includes the children's pageant. This will be a wonderful celebration to gather as a family and faith community and we hope to see you there.

God of love, hope, peace and joy.

We remain eternally grateful for the gift of Jesus into our world.

We give thanks for the hope, peace, joy and love we experience through His presence.

We pray that our eyes be opened to the ways in which Jesus continues to be active in our lives, blessing us each and every day and leading us in a life of service and love.

Amen.

Step 7: Exciting Endings Seven Steps Writing Tips

seven steps TO WRITING SUCCESS

A common problem with childrens' stories is they end on an anticlimax.

Many authors actually come up with the ending first and then figure out the story by working backwards.

Here's a fun ending: **Crocodiles don't like flyspray!**

Try brainstorming with your children what the story could be. You can be as crazy as you like!

Sora is Always Open

The Catholic Education Sandhurst Digital Library is always open, even over the holidays.

Students and staff can now log into the Sora reading app using the instructions below.

1. Go to <https://soraapp.com/library/ceosand> (**please bookmark this page**) or on the downloaded Sora App (available for [iOS](#) and [Android](#)).

2. Choose "My school is Catholic Education Sandhurst", then select 'St. Francis of the Fields Primary School' from the drop down list.

3. Sign in using your school email credentials.

PAM Updates in 2023

In January 2023, your SIMON Everywhere /PAM account will be undergoing a major upgrade to provide greater security and other improved functionality.

During the week of the 16th of January 2023, your current SIMON Everywhere/PAM account will cease to function. New PAM accounts will then be created by your school, and you will receive an email asking you to create new credentials for a

new PAM account.

This will be as simple as:

- clicking on the link provided in the email
- following the prompts to create a new password for your new account.
- opening the SIMON Everywhere app and log out of your old account
- navigating to the “Tools” menu in SIMON Everywhere and then “Add School”
- finding your school on the list and clicking on the “Login” button for Parent Access
- using your new credentials to log into your new PAM account via SIMON Everywhere

******* Your username will be your email address.**

Your SIMON Everywhere/PAM interface will not look any different, but you may receive an account per parent if you were previously sharing an account with your spouse.

Please refer to the below FAQs for further information:

1. **We have a single, family email address that is used by both parents. Is that still ok?**
 - If the parents both use the same email address, you will only receive a PAM account for one parent. Example single email:

Parent 1 - Mother - Mrs Joanne Smith - jandcsmith@myemail.com

Parent 2 - Father - Mr Chris Smith - jandcsmith@myemail.com

A PAM ACCOUNT CAN ONLY BE ASSIGNED TO ONE PARENT, who can then share their login credentials with their spouse.

1. **I do not have an email address OR have not provided my email address to the school.**
 - Parents with no email address provided cannot have a PAM account
2. **Will any historic data be lost in this process?**
 - While no data will be lost in this process, it is possible that some information may become disconnected from the new account, such as historic letters, historic excursion permission and historic parent notified absences.
 - You may have to review your personal details (Medicare number etc) if you previously had split access with another parent to your child’s medical information.
 - You will definitely still be able to access historic student assessment reports and learning area assessment tasks. However, access to historical parent reflections may be lost if the school has chosen to not allow parents to see reflections by other parent accounts attached to that student.
3. **What do I need to do now?**
 - This letter is to simply let you know about the changes that are coming. Right now, the best thing you can do is make sure that the school has your preferred email address on file.
4. **What do I need to do in January?**
 - Be aware that your current SIMON Everywhere/PAM account will stop working as of the 16th of January.
 - Look out for the email later in that week asking you to set up credentials for your new account (this may go to your junk/spam folder).
