St Francis of Assisi

Dear Families,

It was just lovely to see our students, staff and parents returning to school with so much enthusiasm and energy. I look forward to learning more about each child and family member in our school community.

Fr. Andrew (Happy Birthday for last Saturday!) and our staff welcome all new and existing families to St. Francis of the Field’s School family.

We pray that you will find St. Francis of the Fields is a place where “You Live, Learn and Grow in God’s love”.

Prayer:

Lord God,

*as we approach the beginning of a new school year,
may we do so with a sense of wonder, anticipation,
exhilaration and an overt love of the work
each of us is called to do.*

*May our days be both challenging and rewarding.
May we be the role models that our young both need and deserve.
In all we do, may we be people of faith, commitment,
spirit, energy and hope.*

Amen

Principal Appointments

One of my goals this year is “To be a visible, positive presence in the school so that I understand the needs of our students, teachers and parents.”

Opening School Mass

All families are invited to celebrate the beginning of the school year mass on **Friday 10 February at 11.45am**. We will come together as a community in the Basketball stadium (shed). Please remember to leave coffee cups outside.

First Aid

Our staff completed their Level 1 CPR on Friday 24 January. This should ensure our children, staff and parents are supported in case of an emergency.

We learnt from our instructors that small bouncy balls (size of 20 cent pieces) should not be brought to school as they are choking hazards that prove difficult to dislodge. Larger tennis sized bouncy balls are fine to bring to school. Please help to support the safety of our students and school dogs by avoiding bringing these small balls to school - thank you.

Community Defibrillator

The Falcons Football Club has received funding from the Strathfieldsaye Community District Enterprise for a community defibrillator. This has recently been installed outside the toilets closest to the football oval.

I am hopeful that our community will ensure that the defib is respected so that if it is needed it is ready to save a community member's life. Thanks to the Falcon's Committee members for raising these funds.

Uniform

Thank you to all families for ensuring their child/ren are wearing the correct uniform. I have reminded the children that they need to:

Children may wear their sport uniform for every day wear in Term 1.

- Wear the correct school socks (not Globe, Nike, etc). White with sport uniform and navy with general uniform
- Tie their hair back if it is over collar length (avoid nits)
- Wear ALL black shoes – either runners or leather shoes (except on sport days)

Parking

Now that our building works are completed parents and teachers are able to park their cars behind the basketball stadium. Please do not drive past the new building as children and staff members will be moving around these areas.

End of day pick up area

To help with the pick up area at the end of the day could all parents please attach their family name (provided by the school) on their cars sun-visor. This will help our teachers ensure your child/ren are present when your car arrives at the pick up.

Learning Conversations

Parents will have the opportunity to book in for a Learning Conversation in Week 4 - **Monday 13 Feb- Thursday 16 Feb.** The conversations will take a pastoral/wellbeing focus on getting to know your child. This is an opportunity for you to meet and greet your child's classroom teacher and inform them of their strengths, challenges, social capabilities, any medical needs, etc. It is a time to ensure that teachers are aware of any aspect that you think will have an impact on their learning this year.

Information regarding assessments, learning goals or academic achievements will not be shared at this time. This will be the focus of the Learning Conversations held early in Term 2. A gentle reminder that if you have any sensitive or confidential issues to discuss, please feel free to ask your child to wait outside the room briefly or alternatively, organise another time to chat.

The teachers are looking forward to working in partnership with you and your child to enjoy a successful year of learning.

The School Interviews Online bookings **will open on Monday 6 Feb at 12noon and close on Friday 10 Feb @ 4pm.** Please see further details in today's newsletter regarding booking Learning Conversations.

Swimming Program

Thanks to the excellent organization of Danielle Coates, our PE coordinator, we have commenced the swimming program for our Year 3-6 children. Our children will complete their swimming program with the St. Francis School Swimming Sports at Bendigo East Pool on Wednesday 8 February from 9.30am. All parents are most welcome to attend.

By commencing our program in such an organized manner we are able to give our children the benefit of competing at our school swimming championships prior to the Catholic (February 16), Division (March 1), and Regional (March 14) Swimming Sports Championships. Well done Danielle!!

Calendar

Please click on this link to access the Term 1 calendar so that all students, parents and teachers can coordinate upcoming events. [Term 1 Calendar](#)

Parents & Friends Meeting

All parents are most welcome to attend the Parents & Friends meeting on Thursday 9 February from 7.30 - 9.00pm in the staffroom.

Our P & F are a wonderful support to our school community as they devise social and fundraising opportunities for our school community.

Please come along and help support our school community - all welcome!

Forms to be returned to school via PAM (Parent Access Module)

- Photo Permission Form
- Swimming Sports Permission
- Updated Asthma Plan (for those students who need one)
- Anaphylaxis plan (for those students who need a plan)

Last week, all parents would have received an email to reset their passwords for PAM. We need everyone to have completed this by Friday 10 Feb and logged back in to PAM. Please make sure to check your junk email folder. If you are experiencing problems with this, please contact the office and we will assist you.

In PAM, you are able to complete Parent Notified Absences (PNA), view school assessment reports, complete student medical details, approve school excursions, access the school newsletter etc.

Marong Cup - Saturday 18 February from 11.00am

A reminder that the Marong Cup will be held on Saturday 18 February.

This is the first fundraiser of the school year – we normally receive approximately \$5,000 donation from the Marong Cup Committee in return for coordinating the School Relay race on the day.

The aim of the relay race is to be the fastest school team of six people to carry 200ml of water in a plastic cup over 200m. We need 2 teachers, 2 parents and 2 Year 4/5/6 children to run with the cup. The biggest challenge being that we cannot spill too much water and still be the fastest!!

We do need one or two people to help coordinate this relay on the day. If you can help please contact Tim Moloney ASAP - your help would be very much appreciated as I am unavailable to attend the Marong Cup this year as I will be celebrating my son's wedding on this day.

We are also hopeful that another parent may wish to be the St. Francis representative for the Marong Cup Committee. There should only be 6 meetings for the year and you would need to communicate with the school to help prepare for the annual Marong Cup.

If you can help with either role please contact Tim Moloney on 5439 3191 in the next week.

Christ has no hands but yours.

Jamilla and Luna - Dogs Connect

At St Francis, we have two dogs as part of our wellbeing team. **Jamilla** (4yrs) and **Luna** (1 yr). Our school has achieved accreditation with the Dogs Connect program.

For our students, both Jamilla and Luna can help with emotional regulation, social connection and communication. They can help engage students in many curriculum areas by supporting children in feeling less self-conscious than they may feel around teachers and peers.

RE News.....

Welcome Mass - Friday 10 February @ 11:45 am

We will celebrate our new school year and welcome all of our community, on Friday 10 February at 11:45 am, at our Welcome Mass. All students will attend and we invite our families to join us for Mass and a cuppa afterwards in the community centre.

Lent - Shrove Tuesday & Ash Wednesday

On Ash Wednesday 22 February, the liturgical season of Lent begins. We begin our Lenten journey by marking ourselves with ash. Traditionally, this ash is produced from burning the palms from the previous year's Palm Sunday. At St Francis of the Fields, we will burn the palms on Shrove Tuesday. The forty-day Season of Lent concludes on Holy Thursday evening with the Celebration of the Mass of the Lord's Supper. It's a period of preparation to celebrate the Lord's Resurrection at Easter.

This is a time to pray, fast and for almsgiving - serving others by going without something and contributing to others or sharing yourself with others in your family, community or globally. Lent is not about getting it perfectly right or focussing solely on self-improvement. It is a time to get in touch with

our hope for new life. For the five weeks of Lent, we walk closely with Jesus towards the freedom of Easter. Through prayer, we come closer to God so that we are better able to be a source of love and compassion and to live justly as Jesus teaches us. Fasting joins us in solidarity with people experiencing poverty who often have no choice but to go without basic human needs. Sharing what we have, or 'almsgiving', is a sign of our commitment to justice and our thanks for all that God has given us.

On Shrove Tuesday 21 February, we will have our Burning of the Palms at 10:30am, make our Lenten Promises and have pancakes as is the Shrove Tuesday tradition. A Liturgy of the Word and distribution of Ashes will be held on Ash Wednesday, 22 February at 11am. We invite our families to join us for both of our liturgies.

Project Compassion

We will participate in Caritas's Lenten fundraising and awareness raising campaign. Each year Project Compassion brings together thousands of Australians in schools, parishes and the community to stand in solidarity with the world's most vulnerable communities, to help end poverty, promote justice and uphold dignity.

The theme of Project Compassion is **For All Future Generations**. It reminds us that what we do today can have an impact *For All Future Generations*. This message invites us to step up for those who do not have the essential resources they need for their survival and those whose needs at this time are far beyond ours. By putting compassion into action, we can make a difference today, *For All Future Generations*.

- **Caritas Ks** - Friday 17 March will be our Caritas Ks Fundraiser.

Enhancing Catholic School Identity (ECSI)

During Term 1, we will be asking students from Year 5, families and staff to complete the ECSI survey. This is an important survey for our school, as it reveals the community's perspective of our current Catholic Identity and our ideal Catholic Identity. The responses to the survey will help us to understand how our Catholic identity is expressed. The research report containing our school's collected data will contribute to a reliable picture of our school's Catholic identity, which we will use to inform our school improvement for the next four years.

International Day of Prayer and Awareness Against Human Trafficking - Wed 8 February

Pope Francis has designated the 8th of February, the feast of St Josephine Bakhita, as the International Day of Prayer and Awareness Against Human Trafficking following a request from Talitha Kum, the worldwide Network of Consecrated Life Against Human Trafficking. "Journeying in dignity" is the theme of the 2023 International Day of Prayer and Awareness Against Human Trafficking.

Who is Josephine Bakhita?

Josephine Bakhita was born in Southern Sudan in 1869, and during her life experienced kidnapping and slavery in both Sudan and Italy. After gaining her freedom Josephine Bakhita dedicated her life to sharing her story and to supporting the poor and suffering. She eventually became a Canossian Sister and was canonised in 2000.

Learn more about Josephine Bakhita [here](#).

God of hope and peace,

Touch our hearts and energize our ongoing efforts in abolishing human trafficking, a heinous crime against humanity so that every victim is freed and every survivor's life renewed.

You blessed St. Josephine Bakhita of Sudan with compassion for others.

May her prayers comfort and strengthen the women, men, and children who are in search of freedom. We pray that all people believe in the inherent dignity of every human person, and for an end to human trafficking through education, advocacy, and empowerment of survivors of human trafficking.

We ask for a transformation of heart for those who inflict pain, anguish and grief on our vulnerable sisters and brothers. Give us generosity to stand in solidarity with others so that together we heal the hearts and lives of all Your people.

Grant this through our Lord Jesus Christ, Your Son, who lives and reigns with You and the Holy Spirit, One God, forever and ever. Amen.

Get the slavery out of Easter chocolate

This Easter, educate yourself about what's really going into the chocolate you buy for family and friends.

[Be Slavery Free](#) has produced a chocolate scorecard after surveying the world's biggest chocolate companies to find out about their supply chains. Click [here](#) to download the scorecard via their website and find out which chocolate brands are rising to the challenge and which ones continue to ignore consumer demand for chocolate that's produced free of child labour.

Ask the question – Who is making my clothes?

Chances are that children and adults, working in sweatshops for little money and often in appalling and hazardous conditions, make some of the clothes you wear or clothes you might want to buy this summer. Baptist World Aid has produced the *Australian Fashion Report*. It's a report card on the fashion industry, and it rates your favourite brands on workers' safety, wages and other conditions. Download [the guide](#) and Speak Out to brands you are pleased or disappointed by.

TODAY, and every day, we ask you to reflect on and act against human trafficking.

National Apology Anniversary

On Monday 13 February, we mark the anniversary of the National Apology. Prime Minister Kevin Rudd, on behalf of the Federal Government, publicly apologised to the Stolen Generations. The Stolen Generations are the Aboriginal and Torres Strait Islander children who were forcibly removed from their families and communities by successive colonial and Australian governments.

It was a significant milestone for the healing of Aboriginal and Torres Strait Islander peoples, who suffered as a result of past government policies of forced child removal and assimilation. It is important that, as a nation, we commemorate and acknowledge the wrongs of the past, while reflecting on the work that still needs to be done to address the impacts of unresolved trauma.

Creator Spirit of all,

Empower us to honour the history of this Great South Land, to remember the story of those who have gone before us.

May you comfort all those whose history on this land is a story of hurt and pain.

May your wisdom and guidance be with all who work towards a future of unity, reconciliation and peace within this Great South Land of the Holy Spirit.

We ask this prayer in the name of your Son Jesus Christ, Amen.

Our Lady of Lanka Feast Day

will be celebrated on **Monday 6 February**, at **St Therese's with Mass at 9.15am** (Sri Lankan Independence Day falls on Saturday 4 Feb). All Sri Lankans and our Parish communities and schools are invited to the Mass on Monday.

Archbishop Jean Marie Masson O.M.I. (died 1947) introduced this special feast. He was loved and respected by all Sri Lankans, irrespective of their religion. His initiative brought about a great love and devotion to "Our Lady of Lanka", as she is affectionately known. We hope to see many of you at Mass to celebrate this day together.

Conveyance Allowance Program (CAP) 2023

Education
and Training

Dear Parents,

The Conveyance Allowance is a form of financial assistance from the Victorian State Government to assist families in rural and regional Victoria with the cost of transporting their children to their nearest appropriate school.

The allowance is available to parents who are required to –

- drive their child more than 4.8 kilometres to school (if there is no school bus)
- or drive their child more than 4.8 kilometres to meet the nearest school bus to the school
- the child must attend their closest government or non-government school (Catholic)
- the allowance is based on kilometres travelled and not based on any financial eligibility

Distance is calculated by the shortest practical route from home to the school or from home to meet the nearest school bus to the school. Distance can be calculated by using Bing Maps.

Forms required to be completed by a parent are available to download from our website

<http://www.sfstrathfieldsaye.catholic.edu.au/downloads/forms> or can be picked up at the office.

1. Conveyance Allowance Application 2023 (one per family which includes all children at St Francis of the Fields)
 2. Conveyance Allowance Authority to Pay Form 2023 (one per parent claiming)
- **Parents who received the Conveyance Allowance in 2022 do not need to complete a new form in 2023 unless their children enrolled at St Francis of the Fields in 2022 have changed (ie Yr 6 student left at the end of 2022 or a Prep child commenced in 2023).**
 - **If your family circumstances have changed a new form needs to be completed in 2023.**
 - **If you have recently changed address, please advise the office if you are no longer eligible.**

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.

CAMPS, SPORTS & EXCURSIONS FUND (CSEF)

School camps provide children with inspiring experiences in the great outdoors. Excursions encourage a deeper understanding of how the world works while sports teach teamwork, discipline and leadership. All are a part of a healthy curriculum.

CSEF is provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

The annual CSEF amount per student is:

- \$125 for primary school students
- \$225 for secondary school students

MORE INFORMATION

For more information about CSEF visit:

<https://www.education.vic.gov.au/about/programs/Pages/csef.aspx>

HOW TO APPLY

New applicants should contact the school office to obtain a CSEF application form or download from the website below.

If you applied for CSEF at your child's school last year, you do not need to complete an application form this year unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **new student enrolments;** your child has started or changed schools this year.
- **changed family circumstances;** such as a change of custody, change of name, concession card number, or new siblings commencing this year.

Check with the school office if you are unsure.

Weekend Maintenance Forms

Families have been emailed information regarding our Weekend Maintenance program. If you have not yet had a chance to complete the online form, please click on this link and complete it by Monday 6 Feb. Families can opt to pay the \$70 fee or participate in the program.

A roster will be sent to families and also made available on the school website next week. Each week the roster of families for the coming weeks will be published in the school newsletter and bulletin. [Weekend Maintenance Program 2023](#)

Year Level - Unit Newsletters

Over the coming days, classroom teachers will be emailing their first unit newsletter for Term 1. These will have a new look for some and include more detail than usual about the learning that will be taking place this term.

These changes are in line with the feedback from our reporting review that was conducted in 2022. We know that you will find them all to be very informative and we thank the teachers for the time that has been spent collating this information.

From our next school newsletter, we are hoping to include direct links to these unit newsletters for your ongoing reference. This will be a great way to keep our parent community informed with what is going on in each unit.

2023 INSTRUMENTAL PROGRAM ENROLMENTS

The Instrumental program is open to all children from Grades Foundation (Prep) to 6. The children are collected from their classrooms for their lessons during school hours on a rotational basis. Lessons are held in the 4 Instrumental Rooms in the Music Centre.

In 2023 we offer tuition in the following Instruments: Piano, guitar, bass guitar, drums, recorder, violin and vocal.

As part of the program, we hold an annual Instrumental Concert where the children are able to perform an item that they have learnt during the year. It is a wonderful day/night that showcases their talent and hard work.

Each teacher requires term payments paid on time, please. Individual teachers will let parents know of their preferred method of payment.

Enrolment involves **parents contacting the Instrumental Teacher of their choice directly**. These details are listed below.

City of Greater Bendigo

We have now drafted the Road Safety Action Plan 2023 – 2027 and it is open for feedback until 5pm Friday February 24, 2023.

The new City of Greater Bendigo Road Safety Action Plan will support the vision of ensuring safe travel for the Greater Bendigo community and its visitors. It identifies priorities (approximately 50 Actions) that work towards zero fatalities and a decrease in all crash injuries by focusing on four key safety principles.

The draft will be exhibited on Let's Talk Greater Bendigo for a month for final consultation and public feedback. A report will then be assembled for the April Council Meeting for consideration for the *Road Safety Action Plan 2023 – 2027* to be adopted.
