“For it is in giving that we receive.” St Francis of Assisi

To all in our Learning Community,

*Rejoice in the Lord always; again, I say rejoice!*

In the Reading Paul talks about joy, a joy that is a gift from God. He tells the Philippians to ‘rejoice in the Lord always’ and suggests that joy is not found in emotions but is grounded in our attitudes, our behaviours and our relationships. Even in times when things go wrong, and life is difficult we can still continue to rejoice in God because rejoicing is something deeper and more solid than feeling joy, which can be a more transient thing. If we are in a relationship with God, we know we can always count on God and rely on his presence in our lives. That is certainly something to rejoice in.

A reading from St Paul’s letter to the Philippians.

**Brothers and sisters:**

**Rejoice in the Lord always.**

**I shall say it again: rejoice!**

**Your kindness should be known to all.**

**The Lord is near.**

**Have no anxiety at all, but in everything,  
by prayer and petition, with thanksgiving,  
make your requests known to God.**

**Then the peace of God that surpasses all understanding  
will guard your hearts and minds in Christ Jesus.**

**The word of the Lord.**

The readings this week all have the theme of rejoicing. As we prepare for the feast of Christmas, let us pray with joy.

Give us, O Lord, hearts full of generosity and kindness.

Give us, O Lord, hearts full of compassion and justice.

Give us, O Lord, hearts full of love and mercy

## Prayers for Natalie Shearer and her son Jackson.

Natalie’s son Jackson was involved in serious accident on the weekend. Natalie is in Melbourne with Jacko in hospital. Please keep Nat and her son Jacko in your prayers.

## REPEAT - Maths Assessment Interviews 2019 (MAI's)

St. Francis of the Fields will be starting the 2019 school year later than many schools in the Bendigo region because we will be holding 2 Pupil Free Days (see dates below).

The purpose of these days is to ensure that teachers will be available to complete mathematics interviews (MAI) for every child in our school. This will require each family to use the link below to book a 30-minute time with their class teacher on either **Wednesday 30** or **Thursday 31 January 2019**.

***Please book in your preferred time before Friday 14 December 2018.***

We will open the bookings at 4.00 this Friday 7 December.

### To make your bookings:

Go to [www.schoolinterviews.com.au](http://www.schoolinterviews.com.au)

1. Use the code fnf73
2. Follow the links to make the bookings with the teacher/s of your children. You may be able to book more than one child in at the same time with different teachers if there are spaces available.
3. If booking for 1C and 1A, please be aware that these teachers will be going by their new married names in 2019. Amy Hooper will be Amy Curnow (1C) and Jenna Herring will be Jenna Anderson (1A)

## School Fees

Thank you those families who have finalised their school fee accounts. The school fee money helps to pay for the loans that we have for our beautiful new buildings. If you haven't finalised your account, please finalise your accounts this week.

## Uniform Shop in 2019.

In 2019, the P & F Committee have decided to outsource the uniform shop to Buxwear. Buxwear is the company that already supplies many of the current items that make up our school uniform. Our school community should not notice much difference as the uniform shop will continue to be ran from our school however, there will be a slight increase in price on some items. The employees in the shop will be parents from our school and they will know how our school runs. Please be aware that beginning next year, the school uniform shop will no longer be ran by our volunteers from the P & F Committee.

We thank Michelle Janssen, Jenni Smith and Tonya Buchanan who have volunteered their time and service for many years in running the uniform shop for the P & F. We thank them for their continual support of our school. We have been very fortunate to have these parents volunteer.

## CDF Pay - Cash-free Solution

In 2019, we will be introducing **CDFpay**, which is a cash-free solution for our Tuckshop and P & F fundraisers. This solution is an online payment platform offered by the Catholic Development Fund Melbourne (CDF). There are a number of benefits to using CDF Pay. The benefits for our school going cash-free are;

- Greater security: a safer option where you don't have to be concerned about your child losing cash from their bags and pockets.
- Anytime, any device: order and pay for lunches
- Fast & easy payments: it allows credit card or bank transfer payments.
- Reduced administration: counting and handling cash is costly for the school.

More information will be given early next year and we look forward to implementing CDF Pay in our school community.

## Moving Day - Monday 17 December.

On Monday, the whole school will be moving to their 2019 classrooms. On this day, teachers and students will be packing their classroom and moving furniture to their 2019 room. The 2018 classes will remain in the teacher's 2019 classroom for the remainder of the week.

## End of Year Thanksgiving Mass

A reminder that we will be celebrating our End-of-Year Thanksgiving Mass on Wednesday 19 December at 7.00pm in the "Shed". This Mass is a celebration of the achievements of all of our students at St. Francis of the Fields and, as such, everyone is expected to join and celebrate together. A special part of this Mass is the Year 6 Graduation Ceremony acknowledging the Year 6 leaders of our school.

Please come along and enjoy what will be a beautiful community celebration.

## 2019 Additional support and programs

This year we have ran a modified OASIS program at St. Francis, where classrooms have ran the program from their classrooms. Next year, we will have an Environmental teacher who will be teaching our OASIS program. We are very fortunate to have Mrs Raelene Gooch teaching our program in 2019. Classes again will be able to move into the OASIS building for several weeks to be immersed into the program.

You will also notice next year, that Mrs Jess Widdicombe is back in 2019. Jess will be the 3-6 Numeracy Curriculum leader as well as running our 3-6 Literacy Intervention program. This 3-6 Literacy intervention is a new intervention level for our school. It aims to support children who are needing an extra level of intervention to be successful with Literacy. We are very excited to have several new programs in place for 2019. Implementing new programs while at the same time maintaining smaller number in classes is always a challenge. We welcome your feedback on this if you have concerns.

## Assemblies

The Year 6 unit will be presenting Assembly tomorrow @ 2.45pm.

Regards,

#### Swimming Lesson dates:

# School Sport Victoria

## **School Sport Victoria Trials- 2019:**

School Sport Victoria will once again be offering the opportunity for gifted and talented students from your school community (in year 6) to register to trial for school sport Team Vic teams in 2019. Please note, this is not a come and try day. Registrations open on Saturday 1 December, 2018 and remain open until Friday 1 March, 2019 for Australian Football, Netball, Boys Basketball, Girls Basketball, and Boys Football (Soccer).

These trials are for emerging athletes who have reached a certain standard. They are a process for selecting a Team Vic State Team going to School Sport Australia National Championships.

A minor change to the process for 2019 is: Girls Football (Soccer) will not be required to go through stages of selection. All nominees will go direct to State Trials.

**It is important to note that school PE Coordinator and principal/s have to endorse the childrens' registration forms and that ONLY three registrations per sport are allowed from each school.**

1. On the SSV website, it has been made clear that students need to consult with their Sport Teacher at school to ensure they have the skill level to trial and represent their school.
2. It is imperative that as parents you are aware that teachers will provide information on your child's athleticism and their ability in the sport to ensure he/she is capable of representing their school at a state level trial.
3. This discussion with the school Sport Teacher is necessary as all students **MUST** get the Sport Teacher / Coordinator and Principal signature on their registration form prior to attending a trial, if selected to trial.
4. **Registration is a NON-REFUNDABLE \$25 fee.** This fee will be for the cost of hosting the trial and subsequent expenses as well as an administration fee.
5. **This Registration is a registration for a Division trial. Confirmation to attend a trial will occur after registration.**
6. Once registered, they will receive a bar-coded ticket through Eventbrite (the supplier of the registration process software) which will require a Sport Teacher's signature and the Principal's signature. This ticket must be handed in to the Division Trial Coordinator on the day.
7. Families will also receive an email confirming payment and registration at the time of nominating their child.
8. Once registration for Division trials close, Division Coordinators email the registered participants and inform them of the time and place of their trial.
