Dear Families,

In our Lenten season I share with you some thoughts of Mother Theresa:

"At the end of life we will not be judged by how many diplomas we have received, how much money we have made, how many great things we have done. We will be judged by, *"I was hungry and you gave me something to eat, I was naked and you clothed me. I was homeless and you took me in."*

Hungry not only for bread - but hungry for love. Naked not only for clothing - but naked of human dignity and respect. Homeless not only for want of a home of bricks - but homeless because of rejection."

Mother Theresa's challenge is underpinned by the Commandment Christ deemed to be the greatest: **Love God. Love your neighbour. Love yourself**. This we can do by the manner in which we choose to live our life, for our life is simply a reflection of our actions. If we want more love in the world, create more love in our hearts; if we want people to listen to us, improve our listening skills. This relationship applies to all aspects of life. **Our life is not a coincidence. It's a reflection of ourselves**.

Perhaps this Lent we might still do some of the "giving up" things, such as no sugar in our coffee, but as mature Christians we should be able to look outside our own personal square and **look for opportunities to be bearers of kindness, respect, dignity, comfort, love – true reflections of who we are.**

"Lord, Your life never focussed on the accumulation of

possessions but rather on the giving of Yourself to people of less advantage. Help me to move from my comfort zone this Lent and be giving of myself in Your name. Amen."

Strathfieldsaye Road Development Project

I met with members from the Strathfieldsaye Road Development Project (Regional Roads Victoria) today. They will be undertaking an active transport survey for cyclists and pedestrians in the project area. This means the Strathfieldsaye area will have numerous cameras located around our district beginning on Monday 16 March. They hope to gather data based on gender, age, bike, scooter, walking and skateboard users. They will also monitor other transportation.

Volunteers

Needed!

Subsequently, I ask that all students and parents ride and walk to school over the next fortnight as much as possible!!

I am hopeful with significant numbers of pedestrians and cyclists we may continue to improve our communities access to safe crossing zones for our pedestrians and cyclists.

2021 Enrolments

If you are considering enrolling a child at St. Francis of the Fields in 2021 please log onto our website as we have the required information to make an informed decision, as well as access to enrolment applications.

Coronavirus

Our first priority at St. Francis of the Fields Primary School is the health and safety of our school community.

I want to reassure you that the school is well-prepared for the impact of COVID-19 (coronavirus).

We are being provided the latest advice from the Australian and Victorian Chief Medical Officers by the Catholic Education Commission of Victoria

Ltd to ensure that our school practices are helping to keep our school community safe from the outbreak.

Any incidents that arise will be addressed in accordance with our Critical Incident and Emergency Management Plan. We will also have access to resources and support from Catholic Education Melbourne and the Department of Health and Human Services.

As parents, you have a critical role in helping the school manage this situation:

- Exercise good judgment by keeping children home if they are feeling unwell for any reason
- Talk to children about the situation, as they may be feeling anxious or stressed. You have a key role in helping students feel prepared and safe

The Department of Health and Human Services has a number of resources on its website, which explain the virus, detail risk-reduction practices and behaviours, and answer frequently asked questions. These are available at www.dhhs.vic.gov.au/coronavirus.

You can also find information about Catholic education's response at http://www.cecv.catholic.edu.au/Coronavirus-information-for-parents.

This is an evolving situation, but we will keep you updated as things change. I ask that you continue to work closely with the school and to contact me should you have any concerns. Thank you for your support as we work to keep our students safe.

Parents & Friends Community

We have two positions to fill to complete the Parents & Friends committee membership. They are:

President

• Fundraising Team - this team can be made up of a number of people working together. This team would be well supported by the existing Fundraising Team members - Megan and Georgina.

Please consider taking on one of these roles. Please let Tim Moloney know if interested.

School Governance working party update

Please refer to the latest Governance Bulletin by clicking on the link. Monthly updates by way of Governance Bulletins with information regarding the work of this significant Diocesan Working Party will be provided in this way to all members of school communities throughout the year. You are invited to email any questions or comments that you might have to sgwp@ceosand.catholic.edu.au

Thank you to those new volunteers who have completed their paperwork and come to the short (5-10min) interview process at school. At St. Francis of the Fields we need our volunteers for school activities to run smoothly. We are always in need of helpers for different school activities, such as, sports days, OASIS

program, reading in the classroom, school fete, canteen, school sporting teams. If you would like to be involved with helping at school, all volunteers must complete this process.

If you would like to become a volunteer at the school and help out at any of our school activities, please come to the interview process on the following dates:

Friday, 13th March @ 8.15 - 9am Tuesday, 21st April @ 8.15 - 9am Thursday, 23rd April @ 7-7.30pm Wednesday, 29th April @ 6-6.30pm

If you are an <u>existing volunteer</u>, who has completed all the paperwork either in 2018 or 2019 and have received a letter from the school stating that you are now able to volunteer at the school, you <u>DO NOT need to complete further</u> <u>paperwork</u>. We should have your Working with Children Card (WWCC), driver's licence and have your name on our Volunteer register. You can continue to volunteer at any of our school activities.

Please do not hesitate to contact me if you are unsure of the process or want to book a time to register as a volunteer at St. Francis of the Fields.

We thank our volunteers for their continued support.

Attendance

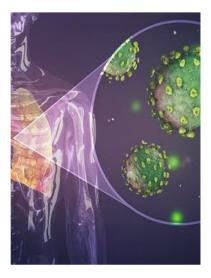

Matters

Why is regular attendance at school important?

Coming to school every day means when leaving school, you will earn more money, have better job opportunities and will be generally healthier.

SPECIAL REPORT: Coronavirus - a guide for parents

Coronavirus is an evolving international health concern. Around the world, people are being affected in many ways. Individuals of all ages from numerous nationalities are being diagnosed with the virus -- it doesn't discriminate. Although children are considered at lower risk of infection, they are not immune to the multitude of news reports regularly seen or heard in the media.

SPECIAL REPORT Coronavirus: a guide for parents

This epidemic is a cause for great concern to parents, but it is also very worrying to young people. Many are wondering how best to discuss this epidemic in a way that will be reassuring to kids without making them feel more worried than what they may be already. Parents should not avoid such a discussion with their kids. Not talking about something can often make them worry more.

Although most children will have already heard about the coronavirus, it is important for parents and care-givers to take this opportunity to convey the facts about it and set the emotional tone. This may help kids feel more informed and reassured. Involving them and encouraging self-efficacy can also give them a sense of control and purpose.

In this Special Report, parents and caregivers will be provided with some guidelines on how best to approach this topic whilst still ensuring the wellbeing of their child. We hope you take time to reflect on the information offered in this Special Report, and as always, we welcome your feedback.

If you do have any concerns about the wellbeing of your child, please contact the school for further information or seek medical or professional help.

Project Compassion

Here is the third Sunday of Lent's story of Barry from Australia.

Father of four, Barry, embodies resilience and strength. Growing up in a tough environment, he had to look inside himself to make the right choices for himself and his family. Barry, and others like him, were able to take part in a cultural healing program called Red Dust Healing. This program encourages participants to examine their own personal hurt and allows them to heal from within, addressing family and personal relationships and what may be been life-long patterns of violence, abuse and neglect. Today, thanks to the Caritas support, he's an inspirational father to his four girls and a leader in his community.

Please donate to Project Compassion 2020 through our Caritas Ks to help people like Barry, and her children gain confidence and respect within their community.

Let's Go Further, Together. You can donate through Caritas Ks, your Parish boxes and envelopes, by visiting <u>www.caritas.org.au/projectcompassion</u> or phoning 1800 024 413.

Caritas Ks

We would like to remind you about our Caritas Ks coming up tomorrow, **Friday 13 March**.

Tomorrow, we will be walking around the school track, some students with a bucket filled with water. This will help us experience what life is like for people who have to walk kilometres each day for water, food, to get to market or just to survive. Walking with the water will also show how we are in solidarity with these people.

When we work together we go further! #gofurthertogether

Why not donate from something you have given up for Lent - ice-cream, coffee, chocolate or cake - to create lasting change.

Please remember to bring back your donations and Caritas Ks book by Friday, 13 March.

God of all nations and people,

May our fundraising be an act of justice and solidarity with our one human family.

May we help to shape a better future for our global community.

May all participants be a voice for the poor and be inspired to help others and to grow closer to you this Lent.

We ask this through Jesus your son Amen

Thank you! The Catholic Identity Student Leaders

Slavery-free Chocolate - ACRATH

(Australian Catholic Religious Against Trafficking of Humans)

Pope Francis said that, "Every person ought to have the awareness that purchasing is always a moral – and not simply an economic – act."

Cocoa is a key ingredient of chocolate and many children in West Africa are enslaved to pick the cocoa beans. They will never taste the delicious chocolate their slavery helps produce. Buy only slavery-free chocolate to ensure no enslaved children were involved in the production.

To buy slavery-free Easter chocolate look for any of these three certification symbols (below) on the wrappers: FAIRTRADE, Rainforest Alliance and UTZ. It's delicious and you can buy it at ALDI, Haigh's, and other leading supermarkets and shops

When you purchase your chocolate ask your retailer, 'Is this slavery-free chocolate?' If they don't stock slavery-free chocolate, ask them if they are able to begin to do this.

For more information and resources: https://acrath.org.au/take-action/slavery-free-easter/

Enhancing Catholic School Identity (ECSI) Survey

Families are invited to complete the Enhancing Catholic School Identity (ECSI) Survey. Staff and students in year five are in the process of completing the survey at present.

ECSI will assist us to better understand how our Catholic Identity is expressed in practice and will support us in our future development. The main questions being explored are:

- · How is Catholic identity lived and shaped in the school?
- · What is the preferred situation?
- What is the potential present in the school to realise its preferred Catholic Identity?

We are hoping to have all families complete the survey. Once completed please let Mrs Hitchcock or Mr Moloney know and each student in your family will receive a completion gift! Your participation in this survey is very much appreciated and valued as an important contribution to our school's Catholic Identity.

The instructions to access and log in to the website are as follows. The survey is anonymous and only the participant receives individual results.

Bendigo Squadron is now enrolling!

Since 1934 the Australian Air League has provided boys and girls aged 8 to 18 years who have a passion for aviation the opportunity to let their dreams soar!

When you join the Air League you meet each week at your local Squadron where you will learn skills and take part in fun and interesting activities. There are also weekend camps, visits and training courses as well as the opportunity to go flying.

Boys and girls from the age of 8 can join the Air League, its open to all and cadets come from many different backgrounds and cultures. The Air League is family friendly too – parents and family are welcome to help support their local Squadron, or even join as a volunteer themselves!

All Air League Officers are volunteers from the community who share common goals – a love of aviation and the desire to help develop the potential of young Australians. You don't need to know how to fiv... although you can even learn too!
