St Francis of Assisi

Dear Families,

It is so hard to believe that 12 months has passed so quickly and this is the final newsletter for the year. Sadly, we will miss people in our lives who are important to us - from the Staff, we farewell Ms Lorraine Cummins, Julie Langdon, John Deane, Jan Eaton, Kathy Tucker, Peter Florence, Tania Rusbridge, Jen Heinrich, Susan Steele, Dan Walker, Kate Hardinge, Ashlea Gladman and Liam Tonzing.

Furthermore, I will miss the Year 6 Children and pray that they will enjoy the changes and challenges that will be theirs in the future. Hopefully they will never forget the “family” of St. Francis of the Fields Primary School and how we have been part of their lives for the past 7 years.

We will also miss our parents whose children will be leaving for secondary school. My thanks will remain with each of these parents – those who have worked shoulder to shoulder for the benefit of St. Francis of the Fields Primary School. Thank you!

As educators we are entrusted with supporting the ideals that each family wants for their children. Each family at St. Francis of the Fields Primary School is so varied – each family has been gifted with their own talents and challenges. It is my belief that all parents want one fundamental ideal fulfilled in the education of their children – that their child is loved and nurtured so that they will feel challenged in a positive manner to reach their potential best.

Each one of the teachers of St. Francis of the Fields fulfil this ideal - they love the children in their care – this does not happen in every school - I pray that each child and parent realises how fortunate they have been to have been blessed with such teachers.

*From all the staff at St. Francis of the Fields Primary School,
we hope you have a very holy, merry and safe Christmas.*

I share with you this beautiful Christmas reflection:

*May Bethlehem's road rise up to meet you
May the Christmas star light your way
And may there be peace in your heart and in your home.
May you be filled with the joy of this Christmas season*

*May Bethlehem's road rise up to meet you
May the angel choir ring in your ear "Christ is here, Christ is here"
In those who suffer, and have no food,
in those who have no home at all.
in those who cry out for what I take for granted.*

*May Bethlehem's road rise up to meet you
May the Christmas star light your way
May you seek His face as all wise men still do
In the love of your family and your friends near and far.
Till you find him and see that God is with you
That God is in you.*

Teachers leaving our school

Unfortunately for St. Francis of the Fields we have a number of fine staff members leaving our school. They include: Lorraine Cummins, Julie Langdon, John Deane, Jan Eaton, Kathy Tucker, Peter Florence, Tania Rusbridge, Jen Heinrich, Susan Steele, Dan Walker, Kate Hardinge, Ashlea Gladman and Liam Tonzing.

Lorraine Cummins

- Lorraine has come to the difficult decision that she would like to retire from her role as Administrative and Finance Officer to allow her more time with her grandchildren.
- Lorraine has been part of the St. Francis family for the past 27 years.
- Lorraine started when the school was first built back in 1994 when there were 109 students. She leaves St. Francis with a population of 625 students.
- Lorraine loves the St. Francis community – she knows our families and makes links to relatives that I have not yet made.
- Lorraine has worked tirelessly to support our community members and now it is time for her to enjoy travelling with Geoff and enjoy your beautiful grandchildren.

Julie Langdon

- Julie has also decided that 2021 is the right time for her to retire after working with the St. Francis of the Fields community for the past 18 years.
- Julie worked part time to begin with for approximately 5 years and then started working full time.
- Julie is a brilliant teacher who has always worked hard for the students in her class.

- She is also an outstanding leader who has been a leader of her unit for many years. I know that with Julie leading the unit that the children will learn and learn well.
- We will miss Julie and her dedication to her students, peers and our school community.

John Deane

- John has been a teacher, deputy principal and principal throughout the Sandhurst Diocese over the past 35 years.
- John has been at St. Francis of the Fields for the last 8 years and has also decided that the time is right for retirement.
- During John's time at St. Francis of the Fields he has been a learning leader in the year 6 team as well as a teacher in year 6.
- John is a teacher who expects the best from his students because that is what he expects of himself.
- John, I hope you and Simone enjoy your grandchildren and your holiday plans.

Jan Eaton

- Jan has been a part of our school family for the past 22 years and she has decided to go out with Lorraine!!
- Jan has just about taught every year level over the course of the past 22 years.
- Predominantly Jan has taught with her wonderful friend Kate Gundry. These two have always supported each other beautifully – if one is away then the other will always cover the class whenever possible.
- Jan, I hope you and Mick enjoy babysitting the grandchildren and enjoy some well deserved holidays.

Kathy Tucker

- Kathy has been part of our school family for the past 17 years and has also decided that the time is right for her to retire.
- Kathy has been one of our wonderful Teacher Aides who constantly supports the children in her care. She has worked in mainly the junior years as she loves to see how quickly they learn.
- Our Junior teachers just love Kathy working with them as she knows exactly the support that all children need.
- Kathy, I hope you and Garry enjoy your move to the beach and that the fish keep biting!

Tania Rusbridge

- Tania has returned from maternity leave and has taught music one day a week with our Year 1 & 2's each Thursday.
- During the year Tania realised that her passion aligned with early childhood education and has decided to follow this dream.
- We will miss Tania, or Rusty, as he is affectionately known, as she loves to creatively challenge our children. Tania helped our Year 6 children develop a radio station during lunch times as well as teaching the roadies to set up for lunchtime gigs.
- Tania, we have loved you being part of our community once again and wish you the very best in following your passion.

Jen Heinrich

- Jen initially decided to cut her music load back to one day a week for 2022, but has since decided that she will teach at St. Peter's next year while concentrating on her blossoming sophrology business.
- Jen is an incredible musician who is able to gift our children the joy of music.
- Jen is widely respected amongst the Sandhurst Diocese music fraternity and we wish her well in her new ventures.

Susan Steele

- Susan has worked as a music teacher for the past 4 years at our school.
- Susan has gifted our children with the joy of music, especially in the early years.

- Susan has also been a wonderful supporter of music in our liturgies and masses when able to assist. Unfortunately, covid has curtailed these opportunities to enjoy music in our liturgies.
- Susan, we wish you all the best in 2022.

Dan Walker

- Dan has worked as a teacher in Year 4 for 4 days a week since Mrs Hudson took maternity leave earlier in the year.
- With teachers returning from maternity leave we were unable to offer Dan another 12-month contract.
- Dan is a quietly spoken man who still connects incredibly well with all children in his care.
- Our community wishes you all the best in 2022 as you take on teaching Foundation at Strathfieldsaye PS.

Kate Hardinge

- Kate has worked at St. Francis of the Fields as a tutor for the past 6 months.
- Kate has shown an absolute passion for learning and teaching – especially in the area of synthetic phonics. Kate has worked with the Year 1, 3 and 5 classes throughout the year.
- Our community wishes you all the best in 2022.

Liam Tonzing

- Liam has worked as a teacher aide in our school for the past year.
- Liam is currently studying to be a teacher and will finish his course in the middle of next year.
- This has been the reason why Liam will not return with us next year as he will be busily looking for a job.
- We wish you well with your future teaching career.

Ashlea Gladman

- Ash has been employed as a Teacher Aide with the Foundation year level.
- Ash has been a beautifully calm presence with our Foundation cherubs throughout the year.
- Ash is looking forward to welcoming her third child in the coming months so will be leaving St. Francis of the Fields to focus on motherhood. We wish you well.

Maternity Leave

We wish Emma Jensen and Cherise LeBrocq-Joppich all the best on the safe arrival on their second child each.

SPECIAL REPORT: Surviving Christmas

As families around the world prepare to celebrate Christmas by decorating their homes, singing carols, buying gifts and planning feasts, often the true meaning of Christmas can be lost due the commercial exploitation of this time of year. Many people see it as a joyous occasion to spend with family and friends, but for others it is viewed as a stressful and challenging time attributed to a combination of things such as financial pressures, relationship issues, and quite often, loneliness.

During the Christmas period, there is a huge increase in the number of calls to support organisations. Many of these callers are considered to be in a high-risk category and sadly, this is the ugly side to Christmas. Should you, or a loved one, ever feel that the pressure of Christmas becomes too much, it is important to seek help. Reach out to a trusted friend, talk to your doctor or counsellor, or phone one of the many support organisations available to you 24/7.

Wishing you and your family all the best for a Merry Christmas and a safe holiday break. We'll see you after the holiday break.

Regards,
Grace Scalora
Deputy Principal - Pastoral Wellbeing

Graduation and Thanksgiving Masses

Thank you to Fr Andrew and all our students, families and staff for making these Masses such wonderful celebrations for our faith community. It was wonderful to be finally able to gather and celebrate. Thank you to Fr Andrew for his generous service and care for all of us during another challenging year. I pray next year we can come together to celebrate as a whole community far more regularly.

Advent & the Season of Christmas

We are now in the third week of Advent and we have lit the pink candle of our Advent Wreath. The readings for the Third Sunday of Advent, Gaudete 'Joy' Sunday, are giving us a sense of encouragement because 'the Lord is near'. As we journey closer to Christmas there is rejoicing as we move onwards with trust, kindness, prayer, gratitude and generous care for those on the margins or who need our support.

In the final week of Advent, we light the fourth candle - purple and focus on love. The fourth Sunday of Advent readings, present a sense of The Journey Onwards ...pausing, of family closeness, joyful recognition of God's mystery unfolding, and readiness to do God's will. Elizabeth, filled with delight and wonder, greets her young cousin, Mary, with prayers of welcome for the Child and blessing for the expectant mother.

At Christmas, we share the message of this season, that Jesus is the Light of the World, and He wants to bring peace and joy to all people. We wish you every blessing of the Christmas season and a safe and enjoyable holiday with your families.

A Christmas Day Prayer

*Lord, on this wonderful day we pause to remember
the needy people of the world,
whom Jesus came to save:*

May the light of his star touch every dark place.

As we meet in fellowship and goodwill,

we pray for the end of war and terrorism in your torn world.

As we eat and share the gifts of the earth,

we pray for the hungry, homeless and those who are ill.

Bring them your compassion and justice, Lord.

As we enjoy being relaxed and happy today,

we remember the sick, the lonely, the frightened, the anxious and the sorrowing:

Bring them your comfort and peace, Lord.

As we go our separate ways after our celebrations,

we remember those friends and loved ones who are not with us this Christmas.

Give them assurance of your presence, Lord.

*O Word made flesh, give us the will and capacity to embody our prayers in compassionate and
courageous deed:*

Fill us with the joy of service. Amen.

St Vincent de Paul Christmas Appeal – Casual clothes day

We would like to sincerely thank the principal, staff, students and families of the St Francis of the Fields School Community for their generous contributions to our Christmas Appeal. Your donations enabled us to “give a hand up” to over sixty households in our part of Bendigo who are experiencing some difficulties at present. Below is a response one of our volunteers received after delivering gifts. It reinforces the gratitude and the impact of your generosity.

“Thank you so much. You have no idea how much I appreciate this and how much it will help. I told my daughter this year we may not celebrate Christmas so she understood but now we will be able to thanks to you guys.”

We wish you and your families a wonderful Christmas and holiday.

In appreciation,

Kennington Conference St Vincent de Paul Society of Victoria

Thank you to all of our generous students and families for their donations to the Vinnies' Christmas Appeal. We raised over \$600 to support the wonderful work that the St Therese's Kennington Conference do in our local community.

Rainbow Run – Friday 10th December

On Friday 10 Dec we had our first whole school Rainbow Run! It was a magnificent day, and having parents and supporters there made it even better. It was so special to have the whole school involved after such a challenging 2 years. The students' smiles and laughs were absolutely infectious, it was so wonderful to see the joy the day brought them.

Thank you to each and every family that contributed to the fundraising, we will now get to upgrade our shed floor- which is desperately needed and I can't wait to see the end product.

Thank you to all those who contributed in one way or another to get the day off the ground, especially the incredibly hard work of Georgina Stevens and Megan Merrett.
