July 2022

Catholic Education Sandhurst Limited (CES Ltd), operates and governs all Catholic Primary and Secondary Schools within the Diocese of Sandhurst (*excluding FCI College Benalla, Marist College Bendigo, Catherine McAuley College Bendigo and St Joseph's College Echuca*).

### 1. Vision

The vision for Catholic Education Sandhurst Limited (CES Ltd) is to provide, in partnership with our families, stimulating, enriching, liberating and nurturing learning environments in each of the Catholic school communities within the Diocese. At the heart of this vision is our commitment to the ongoing duty of care that we have for the safety, wellbeing and inclusion of all children and young people.

We believe:

- that the values of the Gospel are central to who we are, what we do, and how we act
- that we have a vital role in the mission of the Catholic Church to imagine and seek new horizons while respecting our Tradition
- that a strong sense of community is dependent on the quality of our collegial relationship
- that each person's potential is fostered through the dedicated ministry of Catholic Education
- in leadership encompassing vision, innovation and empowerment.

### 2. Introduction

CES Ltd holds the care, safety and wellbeing of children and young people as a fundamental responsibility of all staff in Catholic Education.

This commitment is drawn from, and inherent to, the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the Gospel (CECV Commitment Statement to Child Safety, 2022).

Each human being and their material and spiritual needs "is at the heart of Christ's teaching"; therefore the goal of each Catholic school is the promotion of the human person (The Catholic School on the Threshold of the Third Millennium, n.9).

In CES Ltd's schools "the inalienable dignity of each person is always affirmed and respected, and therefore children and young people are placed at the centre of Catholic education." ([Sandhurst Diocesan Charter for Catholic Education](#), 2021 p. 3).

### 3. Purpose

The purpose of this Policy is to demonstrate the strong commitment of CES Ltd to the care, safety and wellbeing of all students. It provides an outline of the policies, procedures, actions and strategies that will be implemented to ensure that a child safe culture is championed and modelled at all levels of our schools, to keep students safe from harm, including all forms of abuse in the school environment, including on campus, online and in other locations provided by schools.

This Policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Child Safe Standards as set out in [Ministerial Order No. 1359](#).

This Policy applies to all CES Ltd staff and school staff, including school employees, volunteers, contractors and clergy.

### 4. Principles

Catholic schools have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard, and they are safe and feel safe (CECV Commitment Statement to Child Safety, 2022).

The following principles underpin our commitment to child safety and wellbeing:

- All students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.
- Our schools work in partnership with families and the community to ensure that they are engaged in decision-making processes, particularly those that have an impact on child safety, wellbeing and protection.
- All students have the right to a thorough and systematic education in all aspects of personal safety, in partnership with their parents/guardians/carers.
- All adults in our schools, including teaching and non-teaching staff, clergy, volunteers and contractors, have a responsibility to care for children and young people, to positively promote their wellbeing, to identify and mitigate risks related to child safety and wellbeing in the school environment and to protect them from any kind of harm or abuse.
- The policies, guidelines and codes of conduct for the care, wellbeing and protection of students are based on honest, respectful and trusting relationships between adults and children and young people.

- Policies and practices demonstrate compliance with legislative requirements and cooperation with the Church, governments, the police and human services agencies.
- All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
- All members of the school community (including students and their families) are kept informed of child safety and wellbeing matters (where appropriate) and are involved in promoting child safety and wellbeing.
- School employees, volunteers, contractors, clergy, parents and students are able to raise concerns about child safety and wellbeing, knowing these will be taken seriously by school leadership.
- Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally (including under legislated information sharing schemes being Child Information Sharing Scheme (CISS) or Family Violence Information Sharing Scheme (FVISS)) or pastorally.
